Borough of Chambersburg, Pennsylvania

Owner

Borough of Chambersburg
100 S. Second Street
P.O. Box 1009
Chambersburg, PA 17201

Description of Services Provided

As a direct part of its work to support municipal utilities, Downes Associates, Inc. is a member of the PJM RTO. Mr. George E. Owens, P.E., Principal and President, represents various municipal utility clients on several PJM committees and working groups. Mr. Owens serves on the PJM Members Committee, PJM Planning Committee, Electricity Markets Committee, and the PJM Reliability Committee. During 2002 and 2003, Mr. Owens served on the Intermittent Capacity Resources Working Group for the evaluation of wind energy resources (renewable energy resources). He also serves on the Behind-the-Meter Generation Working Group and participated in the Open Access Transmission Tariff (OATT) Development Stakeholder Process.

During 2002 and 2003, DAI has represented the Borough of Chambersburg in its Generation Queue Application to obtain Capacity and Energy injection rights for its 30 MW of gas and oil-fired generation resources. This work has covered the entire application process including development of supporting documents and extensive coordination with PJM engineers and planners.

Additional Questions?

We are here through every step of the process, including the information gathering stage. In fact, we understand this to be one of the most important aspects of locating a consultant capable of handling your project.
